

CAREER

ParkView aims to provide an environment where the best talent can learn and grow

ParkView Partners (“ParkView”) is a partner-led German investment banking boutique focusing on large- to mid-cap complex M&A transactions and public takeovers. ParkView provides discreet and independent investment banking advice beyond traditional investment banking capabilities and approaches based on our deep analytical tool set and interdisciplinary approach. We are combining tier one strategic and financial advisory knowledge with an outstanding expertise in corporate valuation. We provide unbiased advice to senior decision makers on complex corporate finance decisions, including M&A, public takeovers, takeover and activism defense and other strategic finance decisions. Our senior leadership consists of seasoned investment banking professionals from leading global institutions, who have advised on some of the most prominent public transactions in Germany.

To support our growing team in Frankfurt/Main, we are looking for an

Analyst Investmentbanking / M&A (m/f/d)

Your responsibilities

You will work alongside experienced investment banking professionals on a variety of advisory assignments and large- to mid-cap M&A transactions, with a focus on activism defense and public takeovers. You will play a central role in all aspects of executing such transactions and supporting strategic dialogue with our clients.

Your work will include, inter alia:

- Detailed valuation analysis, including DCF, trading multiple, comparable transaction multiple and LBO analysis
- Detailed combination, transaction structuring and other financial analysis
- Preparation of presentations for client meetings, board presentations, management presentations, etc.
- Assistance with new business development
- Daily interaction with the senior leadership team and client management teams

Your qualifications

- Strong quantitative and analytical skills combined with the ability to think strategically
- Proficiency in accounting, valuation, corporate finance, financial modelling and business strategy
- Excellent written and verbal communication skills in German and English
- Commercial mindset and proactivity
- Strong academic background
- Previous experience in / relevant internships in investment banking, private equity and / or strategy consulting

Our offer

- Entrepreneurial and fast-moving environment with flat hierarchies
- Excellent career development opportunities
- Fast growing company based on an established client network
- Ability to directly work with and learn from some of the most experienced professionals in the industry
